Allowable Subject Matter

1. Claims 1-21 are allowed.
2. The following is an examiner's statement of reasons for allowance: the prior art fails to disclose or render obvious a substantially planar partition-forming member in combination with the other claimed limitations of claim 1.

"said partition-forming member being further folded along each longitudinal side below said adjacent portion (ii) at a distance between the first folds and respective outer edges to form two spaced outer flaps.

Further, the prior art fails to disclose or render obvious a dual compartment dispensing tube assembly in combination with the other claimed limitations of claim 10.

"said planar insert having a configuration generally conforming to that of the tube if flattened and comprising (i) an end portion which is substantially equal to the inner diameter of the neck of said collar insert and which extends through the passage formed in the neck of said collar insert, (ii) an adjacent portion conforming to the inside shape of the shoulder of said collar insert, (iii) a mid-portion extending axially within the tube and having a width of at least about one half the inner circumference of the tube, and (iv) a terminal end positioned within the filling end of the tube and having a width

"said planar insert being folded along each longitudinal side to provide a spine between the folds and a flap at either side of the folds, wherein said insert can be folded generally into a "Z" shape".

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably

accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
